

TREE SHELTER

# COLLECTION & RECYCLING PROGRAMME

BY TUBEX

In partnership with

The UK's first FREE tree shelter collection & recycling programme. A simple and effective solution to ensure responsible disposal and recycling of tree shelters is within reach of everyone.

## TREE SHELTER RECYCLING IN 4 EASY STEPS

1

### CHOOSE A COLLECTION METHOD

Choose below between free drop-off collections at our hubs, or pickup collections.

2

### BOOK A COLLECTION

Visit [tubex.com/recycling](https://www.tubex.com/recycling) for instructions on who to contact for drop-off and pickup collections.

3

### BAG UP YOUR SHELTERS

Fill the bulk bags with your used shelters. Each Tubex dumpy bag can hold 350-400 1.2m tree shelters.

4

### COLLECT/DROP OFF

Once your shelters have been dropped-off or collected, we will then recycle them into new Tubex products.

## CHOOSE YOUR COLLECTION METHOD

### FREE RECYCLING HUBS

Book a free drop-off of as little as 1 bag of shelters to any of our +15 hubs across the UK.

### DOORSTEP PICKUP

Book an individual tree shelter collection at £39 per bag collected.

(With a minimum order of 6 bags anywhere on UK mainland - T&Cs apply).
